

CO-CURRICULAR OPPORTUNITIES

Co-curricular programming in the College provides students with the opportunity to enhance their learning through practical application of classroom knowledge. Engagement in co-curricular opportunities such as those listed below supports students' development of leadership skills, intercultural competence, professional experience, and more.

- Career Preparation (<http://collegecatalog.uchicago.edu/thecollege/preparationforprofessionalstudy/>)
- Research and Fellowships (<http://collegecatalog.uchicago.edu/thecollege/researchopportunities/>)
- Study Abroad (<http://collegecatalog.uchicago.edu/thecollege/offcampusstudyprograms/>)
